

HF-103DM High Frequency Electric Wire Saw (Powerful & Economic)

Technical data

Wire

Wire storage	11m
Wire Φ , sintered	11.5mm
Wire Φ , brazed	10mm

Design

Drive wheel	Φ 280mm
Guide pulleys	Φ 168mm
Feed wire storage electric	

Electric motor	
Water-cooled high-frequency motor	
Output 32A	17kw 19kg
Output 16A	9kw 15kg

Control

Voltage	Three-phase 380~460V (Single phase is available)
Frequency	50Hz/60Hz
Weight	18kg
Wireless control	2kg

Dimensions & weight

Height	1100 /1600mm
Width	900mm
Depth	550mm
Weight	85kg
Weight without main motor	60kg
(Main motor can be disassembled and mounted quickly and easily)
